

EXECUTIVE PROFILE

Product operations manager with 9 years of experience building marketplace, fintech, and customer operations across Southern and West Africa. Led cross-functional launches in 7 markets, reduced onboarding time by 38%, and built executive dashboards that turned operational risk into weekly action.

LEADERSHIP EXPERIENCE

Senior Product Operations Manager Feb 2022 – Present
KoboMarket Africa / Johannesburg / Remote

- Built the operating model for merchant onboarding across South Africa, Nigeria, Ghana, and Kenya, reducing average onboarding time by 38%.
- Led weekly risk reviews with product, compliance, and support leaders, cutting unresolved launch blockers by 44%.
- Created market health dashboards used by executives to track funnel conversion, SLA exposure, and partner performance.

Operations Lead Jun 2018 – Jan 2022
MobiPay / Cape Town

- Managed a 16-person support and operations team serving more than 85,000 active customers.
- Redesigned escalation playbooks and improved first-contact resolution from 62% to 81%.
- Partnered with data teams to identify failed payment patterns and recover R3.8m in avoidable transaction loss.

Customer Experience Analyst Apr 2015 – May 2018
SwiftCart / Lagos

- Analysed 40,000+ support tickets to identify onboarding friction and improve help-centre coverage.
- Built agent coaching reports that improved quality assurance scores from 74% to 91%.

SELECTED PROJECTS

Merchant Launch Control Room
Looker, BigQuery, Notion

A weekly launch operating system for market risk, blocked merchants, SLA exposure, and executive decision-making.
Link: nandimoyo.com/launch-control
