

CANDIDATE PROFILE

Operations Analyst

chinedu.okafor@example.com | +234 8031234567 | Lagos, Nigeria | https://linkedin.com/in/chineduokafor

TECHNICAL SUMMARY

Operations analyst with five years of experience improving reporting, vendor coordination, and branch performance across retail and logistics teams. Known for turning messy operational data into practical actions that reduce delays and improve customer response time.

PROJECTS

Branch Performance Dashboard

Excel, Power BI

Created a dashboard summarising weekly stock-outs, delivery delays, and customer escalation trends for branch leaders.

EXPERIENCE

Operations Analyst

2022-02 - Present

Kano Retail Group | Lagos, Nigeria

Reduced weekly reporting time by 35% by redesigning Excel dashboards for 18 branch managers.
Coordinated stock follow-ups with procurement and cut unresolved branch requests from 120 to 54 within one quarter.
Built a KPI tracker used by regional managers to monitor delivery delays, stock-outs, and customer complaints.

Operations Assistant

2019-08 - 2022-01

Bridge Logistics | Ikeja, Nigeria

Tracked delivery exceptions across Lagos routes and improved same-day escalation accuracy by 28%.
Prepared weekly route performance summaries for operations leads and customer support teams.
