PROFILE

Product manager with experience coordinating customer research, roadmap planning, and launch execution across African fintech products. Strong record partnering with engineering, support, compliance, and sales teams to improve onboarding and reporting workflows.

EXPERIENCE

Product Manager

2022-02 – Present

LagosPay | Lagos

- Led roadmap planning for merchant onboarding workflows used by sales and support teams.
- Coordinated user research across 45 merchants and translated findings into measurable onboarding improvements.
- Partnered with engineering and compliance to improve release quality for payments dashboards.

Product Analyst

2020-05 – 2022-01

MarketBridge Africa | Accra

- Built weekly product reports using SQL and spreadsheet dashboards for leadership reviews.
- Mapped customer drop-off patterns and helped prioritize fixes for account verification.
- Documented experiment results and shared recommendations with product, sales, and operations.

Operations Intern

2019-06 – 2020-04

StartHub | Lagos

- Supported founder community events, member onboarding, and programme reporting.
- Prepared partner briefing notes and maintained sponsor contact records.

PORTFOLIO PROJECTS

Merchant Activation Dashboard

SQL, Power BI, Spreadsheet models

Created reporting workflow for weekly product decisions and activation funnel reviews.

Graduate Career Toolkit

Research, documentation, content strategy

Designed a structured onboarding guide and checklist for entry-level candidates applying to fintech operations roles.

Partner Feedback Loop

Airtable, interviews, stakeholder mapping

Consolidated field team feedback into product themes for quarterly planning.

EDUCATION

BSc

University of Lagos | Lagos

2016 – 2020 | Second Class Upper

Certificate

AltSchool Africa | Remote

2021 – 2021 | Product Analytics

CERTIFICATIONS

Google Project Management Certificate | Coursera | 2022

Product Analytics Foundations | AltSchool Africa | 2021

AWARDS

Selected for LagosPay internal innovation award, 2024.

VOLUNTEERING

Mentored three graduate interns on product discovery and documentation.

MEMBERSHIPS

Product Management Africa community member.
