

Chief Operations Officer

Ubuntu Health Services | Cape Town, South Africa

Reduced operational leakage by R8.5m through tighter procurement controls, vendor scorecards, and monthly exception reviews.

Sponsored a leadership development programme that prepared 14 site managers for expanded roles.

CapeLink Services | Johannesburg, South Africa

Improved customer response SLA performance from 69% to 88% by redesigning escalation paths and regional staffing models.

Senior Operations Manager

Southern Growth Group | Durban, South Africa

Built monthly performance packs that helped senior leadership identify loss-making routes and improve route contribution by 12%.

Operations Manager

MetroCare Logistics | Pretoria, South Africa

Improved incident closure discipline by assigning named owners and daily review checkpoints.
